The Parish Council has agreed to forward a number of recommendations to the Playing Field Committee (PFC) regarding preparations for next year's Village Bonfire. These include measures to help deter fly tipping, such as securing the Playing Field, providing clear guidance on what materials are appropriate for burning, and considering the installation of CCTV and a padlock on the gate.

The PFC was recommended to arrange for the removal of accumulated detritus from previous bonfire events and it was suggested that a meeting of the PFC be convened before the end of 2025 to address these matters in more detail.
